PUBLISHED IN GRENADA COUNTY, BY AND FOR GRENADA COUNTY PEOPLE, THUS, THE NAME

# The Grenada County Weekly

VOLUME SEVEN

GRENADA, GRENADA COUNTY, MISSISSIPPI, THURSDAY, APRIL 20, 1944

NUMBER THIRTY-NINE

Mayor L. C. Proby has by official proclamation designated each and every morning at 9 o'clock and for a few minutes thereafter, as a time for everyone to stop and pray to Almighty God for our boys on the far flung battlefields of the earth and for their early and safe return.

Guzzling Gus Cumstock, who drank over five gallons of coffee in 3 hours, and who drank 2 gallons of milk in 2 hours, challenges anyone to a coffee-drinking contest Saturday night at the carnival. Some coffee drinker!

Someday said that Governor Bailey was at Camp McCain Wednesday. Also a bunch of his powder-puff colonels.

The scarcity and high price of hicker has made footloose out of a lot of otherwise souses.

What would happen if TWO fires broke out in Grenada at the SAME time? It does not cause much strain in the imagination to visualize such a circumstance.

Here my top, I seen avtual pitchers of my boy in the paper las week. Another from shore likes 2 c he pitcher in the paper.

Nobody seems to be taking any interest in a race for Supreme Court Justice from this, the Northern District. I imagine most people in this county will vote for our present Chancellor, Judge I. A. Smith of Holly Springs, whom they know.

From LIFE I read that the government spent 35 million on the WPA painters' project, paying painters to produce pictures. Some of the paintings were placed in public buildings, but most of them were stored in a warehouse in New York. When the WPA painter's project was liquidated, a junk dealer bought the canvases at 3 cents a pound thinking he could retrieve something from the cloth.

Fred Sullens recently wrote an editorial, "Where Was Whitaker." After quoting what I said about my favorite WAC being AWOL, he stated that it was mighty poor reporting because the item did not state where I was when the WAC was AWOL. To satisfy any who may be curious about the matter, I was at home all the time.

Judge Smith has been removing the shackles of matrimony this week faster than Judge McKibben and all the preachers can chain them together. Most of the freed men and women have their eyes on other women and men.

We are putting Mary Cain, of Summit, back on our mailing list as she has got back to using newspaper, like us po' folks, instead of fancy book paper. Mabel saw her in Memphis Monday and said she was as pretty and vivacious as ever. Mary has not become a New Dealer yet.

Do not forget to collect up those Coca-Cola bottles and return them to the retailer. Brother Honeycutt needs them badly.

Remember that you do have to carry your poll tax receipts to the General Election for City officers on May 1, the year name must be "in the clear on the books."

We have almost as many subscribers in New Guinea as we have in Casella.

It looks now as if Lockett Lumber Co. would let Etta Mac's boss have enough lumber to build a garage—under the circumstances that he is somewhat in the family.

Mrs. Mary U. Jones, of the Indian Territory, after visiting her sister, Blanche in Atlanta, visited Mrs. Mollie Townes in Grenada a short while before returning home.

Squire Charlie Roushe, who has been confined to the hospital and to his home for several weeks, was up twice Friday for a short time to the delight of his friends.

New Lee of Eupora was over in Grenada recently to look over the press on which the old GRENADA SENTINEL was published for many years, and this indicates that the Grenada Sentinel, Grenada's oldest business institution, has given up the ghost. It will be with some sentimental regret that the people of this community see the Sentinel pass into the limbo of dead and forgotten things. It outlived scores of papers which popped up in Grenada for the past 57 years. The Star and the GOW continue to continue.

My assistant favorite WAC came in Saturday to get some ink on her nose and stayed for a visit. My favorite WAC was in Friday but I was wasting my time at the picture show.

Aint they sweet.

## THROUGH A WOMAN'S EYE

By Mrs. W. W. Whitaker

The words "Totalitarian," "Communist," and "Radical Socialism" were applied freely to the present New Deal government by Ex-Gov. M. S. Conner in a speech made at a luncheon at Hotel Peabody on Monday, April 17 and attended by representatives from five states which included Tennessee, Mississippi, Arkansas, Kentucky and Louisiana. Presiding at this gathering of democrats (anti-New Dealers) was Hon. John N. Barr, a citizen of Louisiana, Chairman of "Draft Byrd for President" committee. Mr. Barr was introduced by the gentleman from Memphis who presided, Hon. T. Walker Lewis.

Mr. Barr spoke eloquently of States rights and the dignity of citizenship as enjoyed under its rule, also of the present great threat through the New Deal to States rights, especially here in our Southland. He referred to the "fertile workings" of the New Dealers and the undemocratic trend to centralization of power in federal government. Mr. Barr stated that "the state representatives for our national Policy and Finance Committee will be announced from my New Orleans office in about 3 weeks. Those of us present were cautioned by Mr. Barr in these words, "They soon found out that we had sense enough to pitch the battle at the time and place most advantageous to us. We intend to remain elusive targets for the type of VILIFICATION RESERVED FOR THE DISSENTERS TO THE NEW DEAL."

Some of the indignities against the true Democratic party as formed by Thomas Jefferson were listed by Gov. Conner when he eloquently said, "He has taken away our charters, abolished our most valuable laws, altered fundamentally our own legislatures, have declared themselves invested with power to legislate for us in all cases. He has extended an unwarrantable jurisdiction over us and has combined with others to a jurisdiction foreign to our constitution, unacknowledged by our laws, giving his assent to acts of pretended legislation."

Mr. Conner voiced facts known to every adult American when he said there is being waged here at home an internal social and political revolution seeking to change the very form of our government from a republic to an absolute totalitarian state, or communism or national socialism which will destroy here in America everything our armed forces abroad are fighting to preserve. Along this line of reasoning Mr. Conner plead, "It is our sacred duty to lend our unlimited support to our country's armed forces, also equally important it is our sacred duty to preserve the American way of life at home."

The New Deal interpretation of the Interstate Commerce clause and other constitutional provisions, strained to the point of absurdity, the former governor of Mississippi continued "by bribes in the form of Federal appropriation benefits and subsidies, condition upon acceptance by the States of Federal control of their internal affairs; by coercion and threats of Federal agencies, and by direct legislation they have undermined and practically destroyed the independence of the states."

He reminded this group of good Southern democrats that for years the Supreme Court was the greatest friend the South ever had. Now the Supreme Court of America is (quote) "composed almost entirely of hand-picked New Dealers."

Mr. Conner also stated another fact well known to us all when he said that the New Deal policy encouraged people in indolence, extravagance and dependency upon the government. We of the South certainly know this to be true, with evidences on every hand, familiar to us over a period of years. Mr. John G. Sheffield, of Helena, Ark. and a representative from that State, made a wonderfully prepared statement, written by him, too long to be reproduced here, however he expressed so well the love for the true democratic party we wish to quote a paragraph or two:

"The Democratic party was conceived in Southern minds and hearts, born in the South by Southerners, nurtured to adulthood, nursed in adversity and when abandoned by all others, was taken in Southern arms and saved

## Mrs. Eugene John Weyneth Dies After Long Illness

Mrs. Eugene John Weyneth died Thursday, April 13 at her home on Main Street after a lengthy illness. She was 60 years old, having been born December 23, 1875.

Mrs. Weyneth is survived by her husband, Mr. Eugene Weyneth and a first cousin, Mrs. Cora Gunthrop. Before her marriage to Mr. Weyneth in 1908, Mrs. Weyneth was Miss Addie Sherman, daughter of Mr. and Mrs. Thomas Sherman. The Sherman family came from North Carolina in the 1800's.

Her sisters, Mrs. Sally C. George and Miss Katie Sherman are dead.

Mrs. Weyneth was a member of All Saints Episcopal Church where funeral services were held at 2 o'clock Saturday afternoon. Chaplain Ed Harrison of Camp McCain, conducted the services. Burial was in Odd Fellows cemetery.

Pallbearers were: C. H. Gee, Orman Kimbrough, Keene Haffington, Harry Greenfield, James Scott, and John T. Keeton.

## Deplorable Situation On Kershaw Street

(Copied from Police Report)  
(By Mrs. W. W. W.)

Location: Kershaw Street  
Complainant: Man knocked in head  
Complainant's name: Leun, address, Bus Station  
Received by (officer) Dogan  
Time: 1:25 A. M. Date 4-11-44.

Details of Complaint:  
Officer assigned, Davis, "Made call, found Luther Halrad at Bus Station. He said two soldiers knocked him in head, I carried him to hospital, he was hurt very bad. He works for McCarley Laundry."

This man was found on the side walk and was brought to Bus Station by unknown person. They called police department from Bus Station.

Four persons have been hurt at this place, which is located between Second and Third Street on Kershaw. According to one of our city officers the premises located on Kershaw, second lot from the corner of Second and Kershaw, the unkempt shrubbery, which is but a tangled wilderness now, has sheltered in its almost impenetrable thickets, vicious criminals, who have within the past year or so, attacked four persons. Only recently two blood soaked blouses, owned by soldiers, with a woman's blood stained undergarment and dress were found hidden in this overgrown thicket.

This is written in the interest of law abiding citizens who have been struck down, also in consideration of nearby property owners whose property value is affected by the unwarranted condition.

from death by Southerners. It grew up in the South, walked in Southern ways, breathed Southern air and spoke with a Southern accent."

"In these latter years, the Democratic party has had its blood stream poisoned with alien ideas. Its foster parents who have taken it in custody have changed its whole character and made of it a foreign and mongrel party. It has abandoned the simple family life and eschewed the religion of its fathers. It trods the primrose path, frequents night clubs and road houses, walks not in Southern ways, but in the spirit of the Southern drawl. It is spendthrift, profligate, waste the peoples' substance in riotous living, and makes illicit love to dusky hued damsels of the roadside. It has turned upon its own kith and kin, insults and abuses its natural family, fornicates with Republicans and dwells in the house of the ungodly."

There you are, I will quote no more in this article. On Monday your reporter heard this and more. The ladies and gentlemen in attendance at this great meeting were most sincere in their desire to assume their responsibility in their party's most critical period.

The New Deal has caused too much harm in the past eight years. It should be stopped now. The voters are the only ones who can block the New Deal's extravaganzas. We must plan to have something besides debt and internal revolution to give our brave men and women when they come home from the battle fields of the world. Now is the time to fight for them at home just as earnestly as they are fighting for us in foreign countries.

Each State will have its own committees and plans will be made public in the very near future for Draft Byrd for President Campaign.

We continue to be grateful (?) to the many people who send forlorn wives to our office to seek living quarters which do not exist in Grenada. Thanks for the business.

## Home From The War For Furlough

If the above modest sergeant would only open up and tell even part of his

S/SGT. MICKEY ANGEVINE

tale, we could have a fine story. He is enjoying a 30-days furlough at home after nearly two years duty with the AAC overseas.

## New Shoe Stamp Coming May First

Advice from Washington concerning Shoe ration stamps is as follows: Airplane Stamp 2 in War Ration Book No. 3 will be valid May 1, 1944, and will remain good indefinitely. Airplane stamp 1 in Book 3 is also good indefinitely. This stamp became valid November, 1943.

Stamp No. 18 in Book 1 will be good only through April 30.

## 20th Anniversary Celebrated By Grenada Rotary Club

At the Community House Monday night, Grenada Rotary Club celebrated its 20th Anniversary with a dinner at which Editor James Arrington, of Collins was the guest speaker. The entire program follows:

R-O-T-A-R-Y Song.  
Invocation, Glen Wiley.  
Introduction of Guests and Visiting Rotarians.  
Recollections, President Hubert Calhoun.  
Twenty Years Ago, Judge John M. Kaykendall.  
"The Old Refrain," Bill Boone.  
Presentation of former President and Secretaries.  
Presentation of Charter Members.  
"Der Fuehrer and his stooge" Corporals Weinberg and Rodonovitch of Grenada Army Air Base.  
Selections, Male Octet of the 302nd Infantry Regiment, 94th Division, Camp McCain.  
Address, James D. Arrington, In Memoriam.  
"America."

Of the 20 members who started Rotary in Grenada, the following still remain active: Ben Adams, B. J. Anderson, C. H. Calhoun, Roy Doak, Frank Gerard, W. E. Jackson and Tom Meek.

## Work Of Camp McCain Red Cross Workroom

The work being performed by the ladies of the Camp McCain Auxiliary Workroom, in addition to being very valuable to the war effort in number of emergency items being turned out for the use by or comforts of the members of the Armed Forces, is of considerable value to the members themselves in broadening their outlook for a perspective ahead.

The program laid out for this work might be compared with that of an Orientation course. Orientation in producing those things that are usually forgotten when so many major projects are underway in a grave emergency. The members of this group of ladies at Camp McCain, possess the same valiant spirit and deep unspoken patriotism that is in the hearts of all American men and women fighting this war today.

The Red Cross Workroom at Camp McCain appeals to you to enroll with its members, and take part in this patriotic work.

Staff Sergeant Dorsey R. Tollison has had his paper changed to a San Francisco address, and this means that he is down where the dusky belles ring.

## P. T. A. Sponsors Teen-Age Recreation Center

In order to make sure that our own girls and boys do not become the "Forgotten Man" in this time of war, the P. T. A. is sponsoring and planning a Teen-Age Center, with the assistance of a board of advisors, made up of a cross-section from the Civic Clubs and Churches of the town.

The recreation Committee of the P. T. A. has been meeting each week since December, formulating plans for this project. Many of the details have been worked out.

The Center will be located in the American Legion Hut, a use of which has been most generously offered by the Legionnaires. If there is anyone who doesn't realize that we have a most civic minded group in our local Legionnaires and Auxiliary, I should like to tell them that the State P. T. A. president upon being told of this generous offer, commented on this wonderful cooperation, and told us we were more fortunate than some of our near neighbors who wished to start a Youth Center. The American Legion Hut was the only suitable place available and this had to be rented. Funds were short, so the boys and girls canvassed the town asking for money in order to rent the building to have some form of entertainment about twice a month.

The plan is to open the Center by the close of school. There are numerous committees at work, but the general plan is for the Teen-Age group, which will embrace all Junior High and High School pupils, to carry much of the responsibility.

Mrs. T. B. Pevell, chairman of the furnishing committee, is planning a house warming in the near future and requests donations of tables, lounges, games, chairs or other pieces of lounge furniture. She insists that you not hesitate to make a contribution because of the condition of the article, for the renovation of these is part of the program.

May we all feel a keen sense of responsibility and bound together to insure the future of our Teen-Agers by making the present safe and wholesome for them—Reporter.

## Mrs. Geo. Criss Announces For City Recorder

I take this method of announcing that I am a candidate for the important office of City Recorder in the General Election to be held at the City Hall (for both wards) on Monday, May 1.

I feel that I am competent to fill this office, otherwise I would not seek it. I realize that it will be hard for me to follow the efficient Mrs. Willye Y. West, who has served so long and so efficiently, yet, with a little time, I feel it will not be long to "get on to the ropes" and carry on the business of the City honestly and faithfully.

Your vote and influence will be appreciated.

Sincerely,  
Mrs. George Criss.

## City Election To Be Held Monday, May 1st

The City General Election will be held at the City Hall on Monday, May 1st.

There is no interest in the election, except in the election of a City Recorder. Mrs. W. Y. West, who was nominated for the four-years term at the February primaries, has resigned in advance of her entrance upon the new term, leaving the field open. Two aspirants, Messames George Criss and Sam McCorkle, have qualified, and their names will be on the ticket.

Voters from both wards will vote at the City Hall. It will not be necessary to bring your tax receipts to the voting place, though, of course, the voter must be "clear" on the election books.

## DEMOCRATIC PRECINCT AND COUNTY MEETINGS CALLED

According to the chairman of the County Democratic Executive Committee, the precinct meetings in the several precincts of Grenada county will meet at ten a. m. on May 16 at the regular polling places; and that the delegates elected at the several precinct meetings will meet at the county court house in Grenada at 10 a. m. on May 23 to elect delegates to the State Convention, as well as to name the several members of the county's Democratic Executive committee to the ensuing term.

Aint they sweet.

## USO Recreation Buildings Dedicated Last Sunday

Grenada's two Federal Recreation buildings, staffed by United Service Organization employees, located on Main Street for the use of white servicemen and on Bell Street for the use of negro servicemen were dedicated to the use of servicemen on Sunday afternoon, April 16, 1944.

The YMCA, JWB and Travelers Aid are the three selected agencies operating the local recreation programs, and as in the past, they will continue to sponsor good programs, serve the soldiers and their families in whatever way possible, and create as near "as possible" a "Home Away From Home."

The colored USO is under the direction of the Army and Navy Committee YMCA, with only one director, C. J. Kincaid, in charge.

Capacity crowds attended the two dedication programs and heard talks by outstanding persons, both locally and from regional headquarters, as well as from the military posts at Camp McCain and Grenada Air Base. NEGRO DEDICATION PROGRAM

At three o'clock a splendid gathering of colored people, with their invited white friends, held their dedication, and followed it by an informal refreshment hour which was enjoyed by all. Those privileged to hear the excellent band, under the direction of W. O. Russell Woochee, the dedication prayer and the speeches thoroughly enjoyed all of it. Director C. J. Kincaid and Dr. L. L. Rayford, Chairman, so managed the program throughout that only a brief pause followed musical numbers, talks and dedication services proper. Dr. Rayford is a good master of ceremony and one speaker in particular on the colored peoples' program was an outstanding orator who voiced such splendid sentiment regarding the permanent relationship, built through a century by white and colored people here in the Southland. He stressed the sharing of each others burdens and a continuance of firm friendship. This negro speaker was Leanders Blackus, a representative of the FSA and FWA. This entire group was welcomed by Mayor Proby and words of appreciation were spoken by Col. Lewis Strom, of Camp McCain.

At four o'clock the handsome Federal building located at 422 Main Street was opened to guests, who were entertained throughout the remainder of the afternoon as they listened to a splendidly prepared program of addresses and music. Hon. A. M. Carothers was master of ceremonies, introducing those on the program. The 94th Division Band group gave a musical program and two artists, Cpl. Frederick Balazs, concert violinist of Camp McCain, accompanied by Mrs. Doris B. Pressgrove at the piano, delighted the audience with three numbers. Miss Helen Horton, soprano, accompanied by Mrs. J. G. Hardy at the piano, sang a lovely song.

Speeches by Col. Ira E. Ryder from Camp McCain and Lt. Smith from the Grenada Air Base, also by Federal Agencies, representatives and committee-men of Grenada, including Mayor Proby and Mr. J. B. Perry, Sr., Chairman of USO Council, and the dedication address by Prof. Wm. Kethley, of D. S. T. C. completed the program.

## Mrs. S. H. McCorkle Out For City Recorder

To the Qualified Electors of the City of Grenada:

In announcing my candidacy for City Recorder, I am earnestly seeking your consideration and soliciting your support.

I have served seventeen years in government administrative business. Prior to that time I was public school instructor five years. I feel that the past experience I have had qualifies me to perform the duties of the office I am seeking.

Your vote and friendship will be sincerely appreciated by me.

Mrs. S. H. McCorkle.

## Chancery Court Finished Session Thursday

Judge L. A. Smith, Sr., the Chancellor of this district, finished a lengthy docket Thursday, thus giving other husbands and wives time to fall out, fight and file divorce proceedings.

The divorce docket of the present term of court was greater than the one six months ago, which broke all previous records.

Routine matters of administratorship, etc. were disposed of also.

If the old Ground Hog was not at preaching Sunday, he was probably off fishing somewhere.

## IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

By HAROLD L. LUNDQUIST, D. D.  
Of The Moody Bible Institute of Chicago.  
Released by Western Newspaper Union.

### Lesson for April 9

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

### CHRIST'S VICTORY OVER DEATH

LESSON TEXT: I Corinthians 15:41-58.  
GOLDEN TEXT: Thanks be to God, which giveth us the victory through our Lord Jesus Christ—I Corinthians 15:57.

"If there be no resurrection of the dead, then is Christ not risen: and if Christ be not risen, then is our preaching vain, and your faith is also vain" (I Cor. 15:13, 14).

In other words, the truth of the resurrection is an indispensable foundation stone upon which the structure of Christian doctrine rests. Beware of those who would spiritualize or explain it away!

The facts are there—fully proved and dependable; there is no need for doubt or question.

In our lesson we find:

#### I. The Great Change (vv. 41-50).

Since it is obvious that our present bodies are not suitable for the spiritual world (v. 50), and that there comes, sooner or later (and almost always, it seems, too soon!), an end to their existence, there must be a radical transforming change. This takes place in the resurrection of the body.

To make such a blessed—and to the human mind, almost inconceivable—truth clear, Paul uses the effective method of comparison and contrast. Following his skillful use of the illustration of the sowing of grain, which dies that it may live again (I Cor. 15:35-39), he gives us a picture of the resurrection body.

That which we must put away in the silent earth at the end of life's day is a natural body, weak and lacking eternal glory (v. 43). It has already shown the evidences of decay and corruption, which we know shall be completely manifested in a short time. Marvelous as it has been as an earthly body, it cannot go with us into eternity (vv. 47, 48), for it is natural and not at home in the spiritual world.

Note, then, the great change that takes place. In the resurrection, the body for the eternal activity of the believer stands out as glorious, incorrupt and incorruptible, powerful, spiritually quickened, and heavenly. What more could be said?

Here we stand amazed and at the same time encouraged by the revelation of what God has in store for us who believe on Christ. Death does not end all—it is only the beginning of real fullness of life and usefulness for the Christian.

And all that is because of—

#### II. The Great Victory (vv. 51-57).

Death is an enemy, indeed man's great enemy. There are those who have tried to deny that fact, to explain it away. They talk about death as "the great adventure," etc., but when one actually comes to face it, the truth is realized. It is an enemy.

But in Christ, death is a conquered enemy. The blessed message of Easter day is that "death is swallowed up in victory" (v. 54). Death could not hold our Lord (v. 55), and He was the "first fruits of them that sleep" (v. 20). This assures us that because He lives, we too, who believe on Him, shall live.

So death has lost its sting, and the grave its victory (v. 56). With Paul we cry out today from the depths of our beings, "Thanks be to God, who giveth us the victory through our Lord Jesus Christ" (v. 57). This is a day of joy, of singing, of victorious faith.

But the joy of Easter is not simply something to warm one's heart. It is—

#### III. The Great Incentive (v. 58).

Living for Christ and serving Him in this world is our greatest privilege, but we are all so human that we need encouragement. We need an incentive.

The Bible speaks much of the rewards of God to those who are faithful, and gives many assurances that we are not engaged in a vain task. At times it seems as though men only reject, and the work of the Lord moves but slowly, if at all.

Let us not be discouraged or disheartened. We follow and serve a victorious Christ, One who has triumphed over death and hell. What we do for Him is never done in vain.

Note the helpful thought here. We are to be "unmovable," and yet "abounding." That seems paradoxical, but it is not, for it is only the life steadfast and unmovable at the center which can abound at the circumference.

That center is the resurrected Christ, and when we are established in Him, we are ready to live the abundant life for Him.

Easter is a glad day for a believer, but it is a sad day for the unbeliever. He may attempt to maintain an outward appearance of joy, but he will know in his heart that the message of the day is definitely not for him. And yet it is, for today he may by faith take as his Saviour the Risen One and enter into fullness of joy in Him.

So many people "celebrate" Easter all their lives, year after year, but never truly "keep the feast." May many such friends make this Easter day, 1944, the beginning of a new life in Christ!

## Latest Movies Shown in Front Line Camps Help to Keep Fighters in Touch With Home

### Picture Industry Donates Films to Army and Navy

Combat-weary Yanks, relieved from front-line duty by replacements and sent to the rear to rest, turn to movies as a means of escape from the mad business of battle, according to letters received in towns throughout the country by relatives and friends of boys now in foreign service.

These letters complained at first that the pictures were old, but recent correspondence ends complaints and indicates that conditions are improved.

New Hollywood productions fresh from the studios are shipped to all theaters of war by the Army Overseas Motion Picture service and are shown somewhere every night in every combat zone occupied by American troops.

Protected by top priorities, these film programs, printed in the 16-mm. size and known as "Films for Fighting Men" are a gift from the motion picture industry which began in February, 1942, with the presentation of 80 prints from four different pictures. Since then these free films have gradually increased until now a total of 189 pictures are issued each week, divided into 63 prints each of three different programs. Each program includes a full-length feature and at least one short subject. To date the grand total of 11,782 programs has been sent overseas.

These programs of new films are shown only to uniformed members of the armed forces in combat zones, and to sick and wounded in overseas hospitals, and to men on isolated outposts where other film entertainment cannot be had.

When troops are en route to battlefronts on transports, they are shown specially selected 16-mm. film versions of "Hits of the Past." This avoids duplicate showings of new films, so servicemen do not see the same pictures twice.

#### Musical Shows Favorites.

Every feature-length picture and every short subject made by the major studios in Hollywood is included in this service, offered to our armed forces through a selection board in New York city composed of army and civilian personnel. This board is guided in its choice by expressions from soldier audiences in the various theaters of war. Opinions polled to date show that servicemen's tastes lean toward musicals, comedies and light drama. War pictures are last on their list, while features and shorts which bring views of the good old U. S. A. are always welcome.

Upon reaching the various war theaters, these 16-mm. films—less than half the size of those seen in your local theater—are sent to the various combat zones through 19 film exchanges maintained by the Army Overseas Motion Picture service. Handled in this reduced size, they are easy to ship and can be exhibited on portable equipment readily transported in active regions.

The showing of these pictures is always subject, of course, to the hazards of war. Usually they are displayed to battle-weary troops in rear areas behind the front. The object, however, is to get them as near the fighting line as possible. In some instances they have been shown so close to the line of battle that prisoners subsequently captured said they heard the sound track.

Although planned originally for the army only, recent arrangements have thrown these showings open to all combat troops, regardless of their branch of service. This includes the

Members of the army service forces set up their motion picture equipment wherever there is a convenient spot for a show. Here they have erected the screen on a rocky field on some south sea island. The projector and sound equipment are being hooked up in the foreground.

### Soldiers on Pacific Islands See More Pictures Per Week Than They Did as Civilians in U. S.

An average of more than 40 prints of three first-run productions, more than a soldier saw in an average civilian week, are turned over to the army every week, in addition to "C.I. Movies," "Screen Magazine," "Fighting Men," and other informational and educational features produced and distributed by army service forces. "Changes in station, constant shifting of the tides of battle, make it impossible for all soldiers

navy, marine corps, the coast guard when their own films are not available in active areas; also members of Allied armed forces operating in these zones. Both the Red Cross and USO are authorized as agents to show these 16-mm. pictures.

**Movies in Training Camps.**  
The motion picture industry's 16-mm. gift films should not be confused, however, with the 35-mm. showings of the Army Motion Picture service, and a similar system maintained by the navy.

Through a commercial arrangement with motion picture distributors made 20 years ago, both the army and the navy rent for their own use 35-mm. prints of motion pictures which play the commercial movie houses. These films, obtained at low rental, are now shown on a nonprofit basis by the army in all training camp theaters in this country, and at established army post theaters in all territorial possessions.

Army men in the South Pacific watch a movie in an open air theater. Their faces reflect varied reactions. Soldiers often see three or more pictures a week.

sions. The average admission is 14 cents, and any profit derived therefrom goes toward expanding the service.

Ever since the declaration of war, as a special favor to servicemen, pictures playing the army circuit have, as a rule, preceded showings in commercial theaters except where these showings conflicted with exhibition contracts of movie theaters near the camps. Servicemen unfamiliar with required trade practices, complain at times because they see pictures in these commercial theaters before the camp movie houses show them.

The navy does not experience this difficulty because, generally speaking, its pictures are shown free on shipboard or, in some instances, for a small admission at naval stations, the profits going toward improving and expanding the service.

#### Old Films Shown at First.

When the conflict broke suddenly after Pearl Harbor, we were just as unprepared for maintaining a worldwide entertainment program as we were for global combat. The first expeditionary forces that left for the South Pacific took along 1,000 old 16-mm. pictures purchased in the open market, which were the only films of that size available at the time. Later, when the African expedition sailed, a similar war department purchase was made. And further complications were added through the indiscriminate buying of old films and portable equipment by embarking troop units as large as battalions, all striving to meet an entertainment emergency.

Although the army has been able to recall all but 300 of these old films, those still in circulation despite efforts to recover them, combined with the unauthorized 16-mm. films remaining overseas, add up to a sizeable headache. Servicemen who still sit through these old programs complain loudly.

Another source of complaint lies in the wartime dislocation abroad of the commercial motion picture industry. In such battle-blasted areas as Sicily, films as ancient as Rint-Tin-Tin are often featured in local theaters for outrageous admission prices. But this is not strange, considering that Mussolini barred American films in Italy in 1938. No new pictures have been shipped into Italian territory since, excepting those supplied through the motion picture industry's gift service.

The 16-mm. gift films, however, are now going overseas at the rate of 150 prints of three new programs each week. New combat zone circuits are being added rapidly and projection facilities are improving and increasing. This means that film shows in all theaters of war, barring the inevitable disruptions and annoyances occasioned by battle action, are bound to achieve a state of diminishing complaints and rising perfection.

In a report to Lieut. Gen. Brehon Somervell, commanding general of the army service forces, covering a

30,000-mile tour of the Pacific theater, Maj. Gen. Frederick H. Osborn, U. S. army, director of the morale services division, army service forces, said that motion pictures have proved an effective antidote to the tension and physical strain of battle, and that they are particularly welcome to men just returned from the front.

His tour, which included "the largest motion picture circuit in history" maintained by the overseas motion picture service of army service forces in the Pacific, proved to him, he said, that "the Pacific soldier is the most avid movie-goer in the world."

The distribution of first-run films to the various fronts by air is on a par with any similar commercial operation, the general pointed out, and came about "because combat officers want their men to relax after they come out of the lines. The movie has proved to be the solution.

A screen against a jungle backdrop brings the soldier close to home again.

The army service forces has arranged to distribute films in rotation to the combat areas of the Pacific, after which they are routed to supporting units farther to the rear. In this way, troops in actual combat are the first to be shown the latest of Hollywood's screen offerings. Also given high priority for early showings are the wounded in hospitals.

#### Movies Take Him Home.

"The soldier wants to see pictorial views of streets that remind him of his home town, of people he might meet on those streets; of women to remind him of his mother, his wife; his sweetheart; of ordinary happenings in which he will again participate.

"This tremendous movie chain's value as a good will factor is beyond computation. In New Guinea, for example, where Australian and American soldiers fight side by side, they sit down to see an American film side by side. Our troops visit Australian camps where the screen is predominantly American."

Newsreels, comedies, and musical pictures are high on the G.I. hit list. "Soldiers dislike war pictures with glorified heroes," General Osborn said.

"They like to see informational films, those that explain war strategy and show real battle scenes. The soldier is anxious to see what his weapons can do. The army's 'Why We Fight' series has immeasurably bettered his understanding of issues at stake. 'Snafu,' the cinema comic of the Army-Navy Screen Magazine, is a Pacific favorite."

General Osborn included Australia, New Guinea, New Zealand, New Caledonia, Solomon Islands, New Hebrides, New Georgia, Bougainville, and Fiji in his 30,000-mile itinerary of the Pacific theater.

"I have seen tropical theaters seating 3,000 soldiers on wooden benches, and 1,000 sitting on crates and logs and oil tins in an outdoor excavation," he said.

"Soldiers frequently sit in tropical downpours for one and two hours before showtime to enjoy a run-of-the-mill film made 'silent' when the sound track breaks down, and then return the next night to see it again.

"During alarms the men quietly leave the theater and as quietly resume their seats afterward to see the rest of the movie. While excavations were under way on a New Guinea base, a bulldozer was assigned the priority detail of hollowing out the ground for an open-air amphitheater.

"I have seen men watch a picture from such a distance that the screen was the size of a postage stamp, and I have heard men gripe at a poor show but sit through it to the end. With several pictures playing on various bases on an island, men were known to walk nightly many miles around the entire island until they had seen all the pictures.

Entertainment reels from 19 army overseas film exchanges are transported by plane, boat, jeep, or hand-carried to the camp sites. Mobile special services companies with portable equipment and camera crews tour remote areas playing on eight stands.

Today some soldier in a water-logged foxhole, sitting atop a gasoline drum to keep his feet dry, is seeing a picture perhaps just prepared by you in the plush seats of a City, New York," General Osborn commented.

## FIRST-AID to the AILING HOUSE

By ROGER L. WHITMAN

Roger L. Whitman—WNU Features.

### WORN LINOLEUM

Question: When linoleum that is pasted down becomes damaged at seams or worn places, can the damaged areas be taken out and other pieces put in? There are a few bumps in the floor covering that are hard. Can these be taken out? What is the usual weight of a roller used on linoleum?

Answer: Damaged areas in linoleum can be cut out and new pieces put in place. The cutting should be done with a very sharp linoleum knife, which has a hooked blade. The bumps in the floor covering evidently are caused by irregularity in the flooring boards; to remove them the linoleum will have to be taken up and the wood floor made smooth. A 75-pound roller generally is used for light gauge linoleums, and a 150-pound roller on the heavy or thick linoleums.

### UNPAINTED WINDOW SASH

Question: I have new window sash and frames. I have noticed that the painter did not paint the bottom of the inner sash nor the top of the

outer sash. I have likewise noted that there is no paint on the parts of both of the slides in which the sash rests when they are in a normal closed position. I hesitate to use ordinary paint, since this will no doubt make the windows stick. What treatment would you recommend to prevent the wood from absorbing moisture, which would later cause cracking and rotting?

Answer: Melted paraffin rubbed well into the raw wood should protect the surfaces, and when rubbed into the slides, will prevent sticking. You can also get a special preparation for this purpose at hardware and dime stores.

### Mildew in Basement

Question: I occupy a basement flat which is none too dry. Mildew appears on the rug in my bedroom. The floor is made of cement, with a wooden floor on top, insulated with one sheet of felt paper. Over this is linoleum, a pad and rug. What can I do to prevent this mildew?

Answer: The concrete floor probably was laid without sufficient damp-proofing. The best thing to do would be to mop on a coating of liquid asphalt. Over this put down a layer of heavy saturated felt, with the sheets overlapped half their width and a mopping of asphalt placed between the laps. Then put down a wood flooring with a mastic cement.

### Defective Radiator Valves

Question: All of my radiators have variable port air valves with adjustments made according to distance from the boiler. I get plenty of heat on the first floor, but the burner shuts off too soon to heat the upstairs radiators. Can you suggest anything which might be helpful?

Answer: The quick vent valves on the mains in the basement may be dirty or defective. Cleaning or replacing the valves may help exhaust air from the pipes faster, resulting in quicker heating of distant radiators.

### Loose Floor Tiles

Question: Can you tell me how I can secure pieces of tile in a floor? Two or three pieces loosen at a time. The job is too small for a contractor.

Answer: Some tile dealers sell a compound that could be used for the resetting of tiles. If you cannot get it, try resetting the tile with a mixture of powdered litharge and a little glycerine. (The glycerine may be hard to get.) Spread this on the back of the tile and put in place as soon as possible. The mixture sets quickly.

### Yeast in a Septic Tank

Question: In regard to the item about the use of yeast in a septic tank—could you give me more information regarding the purpose of this?

Answer: The reason for the occasional use of yeast is to start bacterial action in a septic tank or accelerate it.

### Olympic Records

Of the 46 existing field, track and swimming records made at Olympic games, 19 are held by the United States, 7 by Japan, 6 by Germany, 4 each by Finland and the Netherlands, 3 by Great Britain and 1 each by Canada, Italy, Poland and New Zealand.

## WHY TAKE HARSH LAXATIVES?

Simple Fresh Fruit Drink  
Makes Purgatives Unnecessary for Most People

Here's a way to overcome constipation without harsh laxatives. Drink juice of 1 Sunkist Lemon in a glass of water first thing on arising.

Most people find this all they need—stimulates normal bowel action day after day!

Lemon and water is good for you. Lemons are among the richest sources of vitamin C, which combats fatigue, helps resist colds and infections. They supply valuable amounts of vitamins B<sub>1</sub> and B<sub>2</sub>. They top up appetite. They stimulate, aid digestion. Lemon and water has a fresh tang too—cleans the mouth, wakes you up, starts you going.

Try this grand wake-up drink 10 mornings. See if it doesn't help you! Use California Sunkist Lemons.

### SKIN IRRITATIONS OF EXTERNAL CAUSE

Acne, pimples, eczema, frosty dermatitis, simple ringworm, tetter, salt rheum, bumps, (blackheads), and ugly broken-out skin. Millions relieve itching, burning and stinging of these miseries with simple home treatment. Goes to work at once. Aids healing, works the antiseptic way. Use Black and White Ointment only as directed. 10c. 50c. 100c. 250c. Money-back guarantee. Vital in cleaning is good soap. Baby's favorite Black and White Skin Soap daily.

## WEEKLY NEWS ANALYSIS

## WFA Sees Ample Civilian Food Supply During Coming Year; Production Up; Allied Forces Battle Japs in India; Congress Votes Role in World Relief

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysis and not necessarily of this newspaper.)  
Released by Western Newspaper Union.

## TELEFACT

OF EVERY 10 AIRPLANES

NOW PRODUCED IN THE U. S.

## AGRICULTURE:

## Food Supply

Civilian food supplies during 1944 should be the same as last year with farmers continuing record-breaking performances, War Food Administrator Marvin Jones said, but stocks of milk, cheese and fats may be slightly less.

At the end of 1943, the U. S. had the largest livestock inventory in history, Jones said, with 19 per cent more hogs and 3 per cent more cattle, although sheep and lamb numbers were down 4 per cent.

With farmers urged to cultivate 16,000,000 more acres than last year, they still face manpower problems, Jones related. The outlook for production of farm machinery and fertilizer have improved, he added.

Revealing \$350,000,000 was spent for supporting farm prices in 1943, Jones said they served the double purpose of offering incentive for production and holding down consumer costs.

## Postwar Outlook

Addressing the National Association of Mutual Insurance companies in Chicago, Secretary of Agriculture Claude R. Wickard declared postwar America's exportable surplus of farm commodities would be 15 per cent of production.

Assessing the figure resulted after estimating increased domestic demand for consumption and industry, Wickard said: "Again we are either going to have to extend credit or give agricultural products to other nations, or we are going to have to accept goods and services in exchange."

Advances in agricultural production will pose a major problem in postwar America, Wickard said, remarking that with only moderate demand and usual educational methods, yields will jump up 40 per cent in six years.

## WAGES:

## Peg Sticks

Testifying before the senate banking committee considering extension of price control after June 30, War Labor Board Chairman William H. Davis declared that the WLB intended to stand by its "Little Steel formula" limiting wage increases to 15 per cent over January 1941, levels, but only if living costs remain relatively stabilized.

To assure such stabilization, Davis recommended continuance of consumer subsidies. Prohibition of subsidies would result in appreciable rises in basic commodities and make present wages inadequate, Davis said.

Davis opposed suggestions that wages be limited, declaring such action would work against promotions and upgradings, and discourage shifts to industry.

## WORLD RELIEF:

## Authorize UNRRA

By overwhelming vote, congress put itself on record for participating in world relief by authorizing expenditures of \$1,350,000,000 for the United Nations Relief and Rehabilitation administration to help the people of occupied countries get back on their feet following their liberation.

Although UNRRA will feed, clothe and restore essential services in the stricken countries, it will do so only for the purpose of getting the people started in rebuilding their agricultural and industrial economy.

Matching the U. S. contribution, 49 other United Nations will put about \$650,000,000.

## PACIFIC:

## Japs Invade India

While Adm. Louis Mountbatten's Southeast Asia command coped with a strong Jap drive into eastern Burma, Gen. Douglas MacArthur's staff concentrated on weakening the enemy's hold on New Guinea with heavy aerial attacks against shipping and gun positions.

Springing unnoticed from the jungle, a Jap force pressing far inland into India pointed at Imphal, key to the communications line feeding Lieut. Gen. Joseph Stilwell's Chinese-American troops opening a new supply route to China in northeastern Burma. While the Allies maneuvered to weather this charge, two other Jap columns aimed at Imphal farther to the north.

In New Guinea, Allied planes ripped the northeastern coastal shipping route while Aussie and U. S. doughboys advanced northward toward the big base of Madang over craggy foothills.

## EUROPE:

## Take Over Balkans

Germany made her final preparations for an anticipated double-barreled attack against the continent by the Allies by integrating Hungary, Rumania and Bulgaria into the Nazi war machine to provide a common pool of men and resources.

The Nazis' incorporation of the Balkans came as the Russ drew closer to the Hungarian border by stabbing deeper into prewar Poland and surged onward to the Rumanian boundary by chewing off Germany's last grip in the Ukraine.

As Germany moved to utilize the Hungarian, Rumanian and Bulgarian armies of over a half million men and draw upon the agricultural and industrial resources of these countries, Nazi troops streamed eastward to take up the fight along the newly organized battlefield.

## Jerry Tough

While the Germans moved quickly to mend their fences in the Balkans they more than had their hands full in Italy and the west.

Around Cassino Jerry clung stubbornly to his ground to block the broad highway to Rome, fighting

Nazi Prisoners in Italy.

desperately in the hilly country to dominate the heights from which he could pour his deadly artillery fire upon Allied troops maneuvering below.

In the west, the Allies sent fleets of bombers against France and Germany to rip defenses and railways over which troops and supplies could be shuttled and blast factories turning out Axis armament.

## Nazis Smile at Capture

These two Nazi soldiers, captured from the lines near Carroccio, Italy, were also caught by the camera of an alert signal corps photographer. Completely unconcerned at being taken prisoners, the pair smile broadly for the cameraman. Or perhaps at their pleasure at having been captured.

## 2,500 Tons of Yank Bombs Destroy Cassino

In the most devastating aerial assault in history Yank bombers destroyed Cassino, dropping more than 2,500 tons of bombs on the town. This record weight of explosives was concentrated in about one square mile. Heavy guns finished the job. Then ground troops moved in. While this was taking place, RAF planes attacked the Nazis at Aprilia.

## Trio Downs Sixty Jap Planes

Sixty Jap planes have gone down under the blazing guns of this trio of marine corps pilots in the South Pacific. They are members of the "Flying Corsairs," top marine squadron with total of 135 1/2 planes shot down and 27 planes destroyed on the ground. Left to right, Lieut. Robert Hanson of Newtonville, Mass., 25 planes; Capt. Donald N. Aldrich, Chicago, 20 planes; and Capt. Harold L. Spears, Ironton, Ohio, 15 planes.

## Army's M8 Car. Makes Debut

This is the armored car, M8, latest combat vehicle addition to the army's mechanized equipment. Designed by ordnance department to combine speed of the auto and punch and protection of the tank, debut discloses M8 as six-wheeled, weighing eight tons. It mounts 37-mm. cannon and .30-caliber machine-gun and is manned by a crew of four.

## Shift Generals

Maj. Gen. Alexander M. Patch, above, replaces Lieut. Gen. George S. Patton Jr., who commanded the Seventh U. S. army in Sicily, the war department has announced. General Patton has been assigned to command another army, name of which has not been revealed. General Patch has commanded army forces on Guadalcanal.

## Dies Probe?

Rep. Martin Dies (D) of Texas and chairman of the committee on un-American affairs. The house investigator stated that those who specialize in "vicious propaganda" on the air may be called to account.

## Tyro Tigers

Spring training brought the usual assortment of rookie sizes for the Detroit Tigers baseball club. Here Frank ("Stubby") Overmire, peewee hurler, looks up at teammate Ralph Siewert, 22-year-old outfielder who ranges 6 feet 11 inches.

## Saves Four

Clark Culbreath, who rescued four women passengers of bus which plunged through guard rail of bridge into Passaic river, drowning 15 persons. Culbreath aided women who escaped through emergency door.

Ants a Delicacy  
Ants, native delicacy in parts of Africa, are sold in packages.

## To relieve distress of MONTHLY Female Weakness

Lydia E. Pinkham's Vegetable Compound is made especially for women, to help relieve periodic pain with its weak, tired, nervous, blue feelings due to functional monthly disturbances. Taken regularly—Pinkham's Compound helps build up resistance against such symptoms. Here is a product that helps nature and that's the kind to buy! Famous for almost a century. Thousands upon thousands of women have reported benefits. Follow label directions. Worth trying!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

## SHAKE BLOATED SLUGGISHNESS FEEL LIKE LIVING AGAIN

Indigestion, gas due to temporary constipation means large and small bowel needs thorough emptying. Spicer's Compound promptly relieves stomach, appetite. Caution: Use only as directed. Buy from druggist or send \$1.00 to Chas. E. Spicer Co., Dept. F, Memphis, Tenn. Always get SPICER'S COMPOUND.

## FOR QUICK RELIEF CARBOIL A Soothing ANTISEPTIC SALVE

Used by thousands with satisfactory results for 40 years—six valuable ingredients. Get Carboil at drug stores or write Spickard-Meal Co., Nashville, Tenn.

## Gas on Stomach

Indigestion is a nuisance or distressing habit. When excess stomach acid causes indigestion, gas, sour stomach and heartburn, doctors usually prescribe the famous-recipe medicine known as Doan's. No laxative. But it brings comfort in a few minutes and keeps you from having to take any more at all.

WNU—F 14-4A

## That Nagging Backache

## May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feet constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

DOAN'S PILLS

## HIGHLIGHTS . . . in the week's news

**GOLF BALLS:** About 400 tons of balata, the tough gum used to cover golf balls, has been released by the War Production board. It is showing signs of deterioration and is unsuitable for war purposes. Manufacturers of golf balls say that they do not have materials for centers on hand and not much for windings, so the balata does not mean any new balls in the immediate future.

**BOWLING:** Fewer perfect scores were bowled this season than for a good while back, the American Bowling Congress reports. In 1940 there were 284 perfect games in ABC sanctioned competition, the all-time high. In 1942 the score dropped to 225, and in 1943 it slumped to 137. This season there were only 84 perfect games, although 1,675 more teams were accredited.

### SALTER-WINSLOW

Mr. and Mrs. Worth Winslow, of Chicago, Ill., announce the marriage of their daughter, Jane, to William Townend Salter, son of Mr. and Mrs. Harry Townend Salter, of Grenada County, Mississippi.

The marriage was solemnized at St. Ignace Church in Chicago on February 19th, 1944.

Grenada friends are interested to learn of the marriage of this talented

young baritone. Only recently he received a medical discharge from the Army Air Corps and returned to his job in Chicago, and during the Christmas holidays he and his fiancée were guests of Mr. and Mrs. Salter at their country home in the Southeastern part of the county. It was our pleasure to meet this charming young lady while she was here.

Mr. Salter, father of the groom, was present at the marriage, but Mrs. Salter was unable to attend.

### P. T. A.

The P. T. A. held its regular monthly meeting Thursday, April 13th at the High School auditorium with a good attendance. Mrs. O. R. Lilly, president, made the following report of the nominating committee for 1944-45:

President, Mrs. T. T. Yeager; Vice-President, Mrs. Nelson Douglas; Secretary, Mrs. Jack Sanderson; Treasurer, Mrs. Wallace Sherwood.

The president also announced that the use of the American Legion Hut had been secured as the Recreation Center for the "Teen Age" center, which plans to begin operation soon. Mrs. C. C. Richardson, past local president, introduced the guest speakers for the program, Mrs. D. R. Jenkins, of Starkville, Miss., State President and Mrs. C. E. Roe, National Field Representative. Both delivered helpful and inspirational messages. Mrs. Jenkins stated that the three fold purpose of the P. T. A. for the coming year was:

(1) Closer relationship between the home and school; (2) Study Group for young parents; (3) Youth Canteens. Local Pub. Chrm.

Mrs. Frederick W. Walte, wife of Major Walte, of Camp McCain, left Sunday for Jacksonville, Fla. She will return in the early part of June.

Captain John B. Vickery, of Army Air Corps, arrived last week from overseas to visit his parents, Mr. and Mrs. A. C. Vickery. He will leave at the end of this week.

Lt. F. B. Carrington arrived Wednesday from Columbia, S. C., where he is stationed at present. His wife accompanied him back to Columbia where she will remain temporarily. Mrs. Carrington is the youngest daughter of Mr. and Mrs. J. M. Bryant.

### O. E. S.

The O. E. S. will hold a stated meeting Tuesday night, April 25, beginning at 7:30. Officers especially are urged to attend. Visiting members are always welcome. Reporter.

Sgt. Richard N. Carver and wife were at home a couple of days visiting their parents, Mr. and Mrs. Groce Carver. Sgt. Carver has been transferred from the Army Air Base, Richmond, Va., to Spokane, Washington. Sgt. Thomas A. Brown and Miss Imogene Keetz, of Seattle, Washington, were traveling with them, going thru in their car.

Mr. Beatty, of the U. S. Navy, a former Grenadian, visited his friends, the W. B. Hoffa family recently. Mr. Beatty has been service overseas almost continuously the past three years and his friends here were delighted to see him looking so well. He has returned to duty.

Mrs. L. A. Holland visited friends in Memphis the past week end, returning home Monday.

Major J. R. DuBols, of Texas, has been here visiting his wife the past week.

Dr. and Mrs. J. K. Arent went to Memphis Monday so that Dr. Arent might be present at the time an operation was performed on their friend, Dr. F. L. McGahey. Dr. McGahey was taken to Memphis from the Grenada Hospital on Friday last. Because of the seriousness of his illness we are not in position to say how he is at this writing.

Miss Ione Henderson, of Kingsport, Tenn., visited her parents, Rev. and Mrs. E. R. Henderson, Easter. Mr. and Mrs. T. A. Waller, of Morgan City, were also guests of the Hendersons Easter. In flying from Memphis to Kingsport, Miss Henderson was surprised to note that James Roosevelt was sitting behind her.

Misses Robble and Juliette Doak left Monday for a stay at Hot Springs, Ark. They spent Monday night in Memphis and arrived at Hot Springs Tuesday noon.

Mr. and Mrs. P. H. Youngblood made a business trip to Tupelo last Thursday.

### 20TH CENTURY CLUB

The Twentieth Century Club had its last meeting of club year Tuesday afternoon at the home of Mrs. J. K. Arent on Margin Street. Upon arrival each guest was given a corsage of tallisman roses, a gift of Mrs. Elizabeth Jones, an honorary member of the club. The house was beautifully decorated with iris of many colors and roses.

As a fitting climax to the year's program of the club, World Affairs, Mrs. Louis J. Fortier, wife of General Fortier of the 94th Division, Field Artillery, Camp McCain, gave a talk on "Interesting Women I Have Met." Mrs. Fortier related interesting stories about and personal experiences with two American and four European women of great courage and fortitude in war-torn Europe whom she met when her husband served on the military attaché in Europe. Later in the program, Mrs. Fortier told informally in her charming and clever manner of their exciting escape from Belgrade, after the German occupation, to Spain where they were able to get passage to the United States on the Clipper.

Several delightful musical numbers were presented by Corporal Freddie Balazs, violinist, accompanied at the piano by Mrs. Dorris Pressgrove, both of Camp McCain. Corporal Balazs is a native of Budapest, Hungary, and is a well known and accomplished musician having performed before the former crowned heads of Europe. He rendered very skillfully the following numbers, Andante from violin concerto by Mendelssohn; Dances from Tchaikovsky; Serenade by Schubert-Rosen; Flight of the Bumble Bee by Rimsky-Korsakoff.

### Air arranged by Fritz Kreider.

Refreshments consisting of chicken salad, lettuce, cheese sandwich, crackers and Coca-Cola were served.

After the meeting the guests were invited to make a tour of the hostess' lovely garden to see her many varieties of iris and roses.

The guests who attended were Mrs. Hery J. Maloney, Mrs. L. J. Fortier, Mrs. John E. Ray, Mrs. John F. McDonald, Mrs. Doris Pressgrove, Corporal Freddie Balazs, all of Camp McCain; Mrs. Alfred A. Bryant, Jr., of Coffeeville; Mrs. Elizabeth Brown and Mrs. L. T. Owen.

### ATTEND OPERA IN MEMPHIS

The following Grenadians attended Opera in Memphis last week. Mrs. Hery J. Maloney, daughter, Oliver, Mrs. W. J. Jennings and Mrs. A. M. Jones. Mrs. Walter Garner, Mrs. Spivey Kent, Mr. and Mrs. E. E. Penn, Sr. Mrs. Jones Allison, Mrs. Corn Lane, Mrs. Lynn Poole, Mrs. Willie West, Mrs. Linden Wright, Mrs. Pen Adams, Mrs. Orman Kimbrough, Mrs. Eli Whitaker, Miss Frances Jennings, Mr. and Mrs. Ernest Penn, Jr., and Rev. and Mrs. C. S. Liles. Some of the above mentioned Grenadians went for only performance, others went for the three performances.

Mr. and Mrs. H. H. Sanders and Mr. and Mrs. B. M. Walker, of Starkville, were guests in the home of Mr. and Mrs. Raphael Semmes on Sunday.

Mrs. Bryan Baker visited her friend, Mrs. Fred Griffin, nee Hazel Inman, in Memphis several days this week.

Miss Adele Hoffa plans to leave today for Memphis to be the guest of her sister Mrs. R. P. Lake and family for several weeks.

Holmes Junior College, Goodman, visited her mother Mrs. Edith Guldry the past week end.

Mrs. James W. J. Jennings and A. M. Carothers spent Wednesday in Winona.

## Electricity.. Generator of Prosperity

Most folks consider "kilowatt" just another electrical term. But wait—IT'S MUCH MORE THAN THAT... In many ways, it is one of the most significant words in your life, especially if you live and work in the South.

Noah Webster defines a kilowatt as a "unit of power." As such, it has been used for years as a unit of measurement to determine the business activity of America, week by week... It is well recognized that where many kilowatts of electricity are generated and used, people are busy—producing goods, making money, and enjoying prosperity that is drawn to them like a magnet.

Electrically, the South leads America by a wide margin of growth. Between 1932 and 1942, its capacity to generate and supply its own electric power increased 165%—half again as much as all the rest of the country.

Think what this means to the South—and you! Clearly, it indicates that our vast natural resources and greatly expanded plant capacity will be geared together by the power of electricity—to manufacture new goods, provide new employment opportunities, produce new prosperity.

### A Greater South Is in the Making

Typical of many progressive Southern industries, Lion Oil Refining Company, through constant research and experimentation, has succeeded in developing and is now producing from Southern crude oil, several components of 100 octane gasoline... vastly improved lubricants... Butadiene, the basis of Buna-S synthetic rubber... ingredients for explosives... and other vital materials required for war.

From these activities have come increased employment and expanded payrolls! From them will also come post-Victory products destined to contribute materially to the greater industrial and economic advancement of the South!

*J. H. Barton*  
PRESIDENT

This huge tube still—one of the many of the Lion Oil Refinery, El Dorado, Arkansas—ranks among the largest vacuum units in the world. Its function is to "crack" from Southern crude oil, the maximum amount of motor fuel, known throughout the South as KNUX KNOX.

**LION OIL REFINING COMPANY**

TUNE IN "SUNDAY DOWN SOUTH", radio in the Southern manner, brought to you each Sunday 12:30-2:00 p.m. over the Lion Network. See your Lion Dealer for National Motor Oil.

### Greater Gore Springs

Mr. and Mrs. O. D. Spratlin, Mr. and Mrs. D. M. Taylor and Mr. and Mrs. T. J. Morman, of Grenada, attended the baccalaureate program Sunday afternoon, Rev. W. L. Robinson, of Grenada, preached the sermon.

The public is invited to the commencement program Friday evening, April 21st at 8 o'clock. The address will be rendered by Hon. A. M. Carothers, of Grenada.

Mr. and Mrs. James Trussell and son, Jimmie, of Grenada, were guests of Mr. and Mrs. D. M. Trussell and Mr. and Mrs. Roy Chamberlain Friday.

Mr. and Mrs. T. J. Morman, of Grenada, visited in the home of Mr. and Mrs. Homer Trussell Sunday.

Mr. and Mrs. Marvin Cantrell and family, of Bruce, will return to their home Saturday after a week's visit to Mr. and Mrs. Jesse Cantrell and family.

Guests of Mr. and Mrs. C. L. Trussell and Winfred Sunday were Mesdames J. B. McCormick, Bruce Bryant, J. E. Chamberlain and daughter, Miss Eleanor Holland, Grenada; Mr. and Mrs. J. G. Shaw and Mary Edna, of Pleasant Grove community.

Mr. and Mrs. F. E. Gillon were delighted to have their entire family gather around the dining table again Sunday to enjoy the fruits of the land. They were Mr. and Mrs. Alton Carroll and sons, James Alton and Billy Gene, Lexington; Mr. and Mrs. Fred Tyner, Jeannene, Harold Ray and Joan Tyner, Grayson; Mr. and Mrs. Calvin Clanton, Catherine and Elise Clanton, Gore Springs.

J. C. Ray returned home from Grenada Hospital where he received treatment of cuts on the hand resulting from a fire in the Home Ec building late Thursday night. The building was slightly damaged. W. T. York was cut on the hand also.

Mr. and Mrs. Robert Shaw, of Memphis, were guests of their parents, Mr. and Mrs. J. C. Shaw, Sunday. Mr. and Mrs. Jack Gary and Jackie, of Spring Hill, visited the Shaws in Thursday night.

Fred Tyner and Thomas Gillon were

in Memphis on business Friday.

### FATHER AND SON, MOTHER AND DAUGHTER BANQUET

Tuesday night Mr. and Mrs. J. C. Ray, agriculture teacher and Miss Virginia Smith, Home Ec. teacher sponsored a father and son, mother and daughter banquet in the Home Ec department. Thomas Gillon, FFA president, presided over the opening and closing ceremonies. He was assisted by J. C. Ray, advisor; Frank James, vice president; Thomas Williams, secretary; Junior Gray, treasurer, and Eugene Trussell, reporter. The forty guests discovered their lace cards on the long white tables, decorated with red, white and blue stripes and bowls of spring flowers. They were graciously served by three Girl Reserves, Martha Grace Chamberlain, Helen Rose James and Jeanne Tyner. The menu consisted of tomato juice and crackers, chicken, dressing, creamed potatoes, English peas, pear salad, cake, lemon sauce and iced tea. Mr. John Randle, of Grenada delivered an impressive address based on the importance of early training of good citizens and emotionally pointed out the necessity of deciding upon a definite goal in life. J. C. Ray gave a summary of the agricultural accomplishments for the past season. The meeting adjourned with the group singing God Bless America.

### HOME DEMONSTRATION CLUB MET THURSDAY

The Home Demonstration Club met Thursday in the music department. Seventy-two members were present. Each answered roll call by giving the number of cans brought to the meeting. Mrs. C. L. Trussell received a cake plate as a prize for bringing 127 cans. The contest will continue another month and a prize will be awarded at the May meeting to the member who brings the largest number. Mrs. Shaw presented two musical pupils, Earl Tharpe, Jr. and Bobby Gene Gillon in two musical numbers. Four Home Ec. students gave a burlesque of club members. Mrs. Stacy displayed actual photographs of children, livestock and plants in Mississippi, showing the effect of proper and improper diet. She gave directions and information on cheese making. Mrs. E. L. James, Mrs. Calvin Clanton will plan the May program.

### MR. AND MRS. CANTRELL ENTERTAIN FACULTY

Mr. and Mrs. Jesse Cantrell entertained the members of Gore Springs faculty in their home Thursday night. Bowls of gorgeous red roses decorated

the tables in the comfortable living and dining rooms.

Annie Lou assisted her mother in entertaining with various contests and games. Later two tables of rook were enjoyed. At a late hour plates of pimento cheese sandwiches, tomato, weiner sandwiches, fancy crackers and peanut butter, pickles and Coca-Cola were served. This was followed by the serving of delicious home made ice cream and cake.

Those present were Mr. and Mrs. W. T. York, Mr. and Mrs. J. G. Shaw, Misses Loraine Hardin, Ruby James and Virginia Smith, Mesdames Ann Hankins and Sam Gillon. Other guests were E. B. Martin, Junior Gray and Thomas Gillon.

### MR. AND MRS. GRAY ENTERTAIN

The new home of Mr. and Mrs. Irwin Gray was the scene of a party on Monday night in honor of the faculty and Senior Class. Low bowls of roses and verbenas added to the attractiveness of the cheerful rooms. Four tables of rook, polynanna and Chinese checkers were enjoyed. Mrs. W. T. York and Mrs. Sam Gillon assisted Mrs. Gray in serving plates laden with chicken salad sandwiches, pimento-cheese sandwiches, potato chips, jello with cherries and whipped cream, cookies and iced tea. Twenty-six guests were present.

### CPL. HARDY C. VANCE KILLED ON BOGAINVILLE

Cpl. Hardy C. Vance, 20 year old son of Mr. and Mrs. Sidney Vance, was killed in action on Bougainville, March 23, his parents were informed Tuesday. He was in the infantry.

Mr. and Mrs. Vance, of McCarley, are now living at the home of their daughter, Mrs. Lennie Pauline Hicks, near Grenada. Another son, Stanford, who is in the Merchant Marines stationed at New Orleans came home when notified of his brother's death.

### That Nagging Backache

**May Warn of Disordered Kidney Action**  
Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.  
You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.  
Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!

**DOAN'S PILLS**

Mr. Wagner Williams, of West Point, was a Grenada visitor last Friday, the guest of his mother, Mrs. Van Williams.

One of his buddies wrote to Mr. and Mrs. E. E. Turnipseed that their son, Edgar, had been slightly wounded in battle. The seriousness of the wound was such that it evidently did not justify the War Department in mentioning it.

Uncle John Gibson still manages to get around, but blindness and creeping age have almost grounded him at home. Mr. Gibson is one of the few men of his age, who, when old age comes, does not have to depend on his children. In his productive years, he layed by something for the inevitable day when he could earn nothing.

### NOTICE

As required by law the trustees of the common and consolidated schools

of Grenada County will hold the annual meeting at the Court House in Grenada, Mississippi, Friday, May 5, 1944, at 2:30 o'clock p. m. to elect a member of the Grenada County School Board to the vacancy caused by the expiration of the term of Mr. I. G. Rounsaville from Beat Four of Grenada County, Mississippi.

Respectfully submitted,  
Mrs. Charles H. Willis,  
County Superintendent.

## THE KIL-O-WAT KID

We were raised among the coal oil lamps and had a very happy childhood riding stick horses and watching the handlebar mustaches go by.

There is an old Proverb that says—"When ignorance is bliss, 'tis folly to be wise," but we are glad we are wise to the wonderful advantages we have since the advent of Mr. Reddy Kil-o-wat—It was very deeply impressed upon us this morning when we awoke to find a fuse had blown during the night and consequently we had to feel around for our clothes. I couldn't shave or comb my hair, had to go to the Cafe for my breakfast and while meditating over my plight, began to count up the things that we get from the Kil-o-wat Kid. We get the Radio, our Ice or Refrigeration, our Heat to Cook, our Light to Read, most of our Clocks are operated by Reddy, our Cash Registers are helpless when he lays off, we wouldn't have any ice cream and there is so many things that he does for us. I got scared and rushed right over to the Power office and paid my light bill before Mr. Sutton cut me off.

### Keeps Our Berries Good

Yes, we are proud that we have several good connections with the Kil-o-wat Kid, especially the box at the South end of our Produce Department which was installed just so our Customers could get good Fresh Strawberries, Greens, Rhubarb, Cucumbers, Cauliflower, Mushrooms and lots of other fancy merchandise that is kept just at the right temperature until taken out by the customer.

### Our Lettuce Too

Yes, the Kil-o-wat Kid is hooked on to our big cooler in the rear and the Lettuce, Celery, Radishes, Cabbage, Beets, Peas, Beans, Carrots, Tomatoes and lots of other nice vegetables are kept just at the point where they will be crisp, fresh and tender. In fact the other night, I thought I could hear this conversation between Reddy and the Ice Machine. . . . The Machine seemed to say, with each turn of the wheel, "I think I can," "I think I can," "I think I can" and Reddy Kil-o-wat said I know you can keep Mr. VOLLIE's vegetables and fruits just right. Of course he was right and if you can't ake his worst, come in and see for yourself.

BIG DOINGS BEFORE MANY MORE DAYS—KEEP YOUR EAR TO THE GROUND.

**HIAWATHA—G.O.P. STYLE**  
 ("Wendell Willkie during his visit was made a member of the Indian tribe and christened 'Flying Eagle'."—News item.)  
 Forth upon the Gitchie Gumee,  
 By the shining Big-Sea-Water,  
 At the doorway of the wigwam,  
 With the royalties about him,  
 Wen-Del-Wil-Kie stood and waited.

All the air was full of freshness,  
 All the earth was bright and joyous,  
 And before him, through the sun-  
 shine,  
 Westward, eastward, northward,  
 southward  
 Passed the golden swarms, the  
 Ahmo,  
 Passed the bees, the presidentials,  
 Singing "Nice place is the White  
 House."  
 Chanting "This time you can make  
 it."

Bright before him shone Chi-Caw-Go,  
 Level spread the boom before him;  
 From it leaped the nomination,  
 Sparkling, flashing in the sunlight,  
 Looking fair again and tempting  
 Even after what he'd been through.

Toward the sun his hands were lifted  
 Both the palms spread out against it,  
 And between the parted fingers  
 Fell the sunshine on his features,  
 Something in the mist of morning  
 Loomed and lifted from the water,  
 Now seemed floating, now seemed  
 flying  
 Coming nearer, nearer, nearer.

Was it Brick-Er, the self-made one,  
 Or the Bob-Taft from Ohio?  
 Or the great Shu-Shu-Shu-Tom-Tom  
 The crusading one called Catch-Em,  
 The famed warrior on rackets,  
 Baritone from far Owosso  
 Known to all the tribes as Dew-Eh?

None of these! But delegations,  
 Delegations from the prairies,  
 Delegations from the cities,  
 Come by birch canoes with paddles,  
 Trying out their vocal organs,  
 And the mighty Flying Eagle,  
 With his hands aloft extended,  
 Waited full of exultation,  
 Saying in his best make manner:  
 "Beautiful the sun, oh palsies,  
 Bright the prospects are, oh walsies."

"Never bloomed the chance so  
 brightly,  
 Never shone the outlook better!"  
 And the delegates made answer:  
 "Not so fast, best-seller chieftains,  
 "Take it easy, global airman,  
 "We admit your deeds of valor  
 "But as yet 'tis early Springtime;  
 "Gentle June is still far distant,  
 "Anything is apt to happen,  
 "Keep your shirt on, keep your shirt  
 on!"

And the Brick-Er and the Dew-Eh  
 From their haunts among the fend-  
 lands  
 Screamed "Farewell, oh, Wen-Del-  
 Wil-Kie;  
 "We're your buddies, we're your  
 tribesmen,  
 "But the battle is the pay-off!"

And the Wen-Del-Wil-Kie answered,  
 "How I wonder, how I wonder!"

**AMERICAN DIALOGUES**  
 "There's a fortune in it for you."

"Now look here, if you expect to  
 get anywhere with this proposition,  
 don't depress me."

Louis Schwartz, a New York gar-  
 con known as "Louie the Waiter"  
 has personally sold four million dol-  
 lars' worth of war bonds, a record to  
 be proud of. It occurs to us that  
 possibly he took to selling bonds be-  
 cause they are the only thing a cus-  
 tomer could ask for and get.

We can't help wondering if Mr.  
 Schwartz, when a customer says,  
 "I'll take a bond, medium-well," re-  
 plies, "but remember no butter."

The war department has ruled  
 that dogs in the war may be cited  
 but not decorated. Fido would rather  
 have a bone, anyhow. How about a  
 Distinguished Service Kneekie  
 With Meat Attached?

A senator has introduced a bill  
 asking for an investigation into the  
 matter of why shirttails are getting  
 shorter and shorter. It could be  
 merely a matter of suspenders get-  
 ting weaker and weaker.

If Japan intends to remove ad-  
 mirals and generals every time Un-  
 cle Sam kicks her in the pants she  
 will soon be running her war entirely  
 through first sergeants and cor-  
 porals.

Two big hosiery manufacturers  
 have been fined \$40,000 for ignoring  
 OPA ceilings. It can't be said they  
 didn't have a leg to stand on.

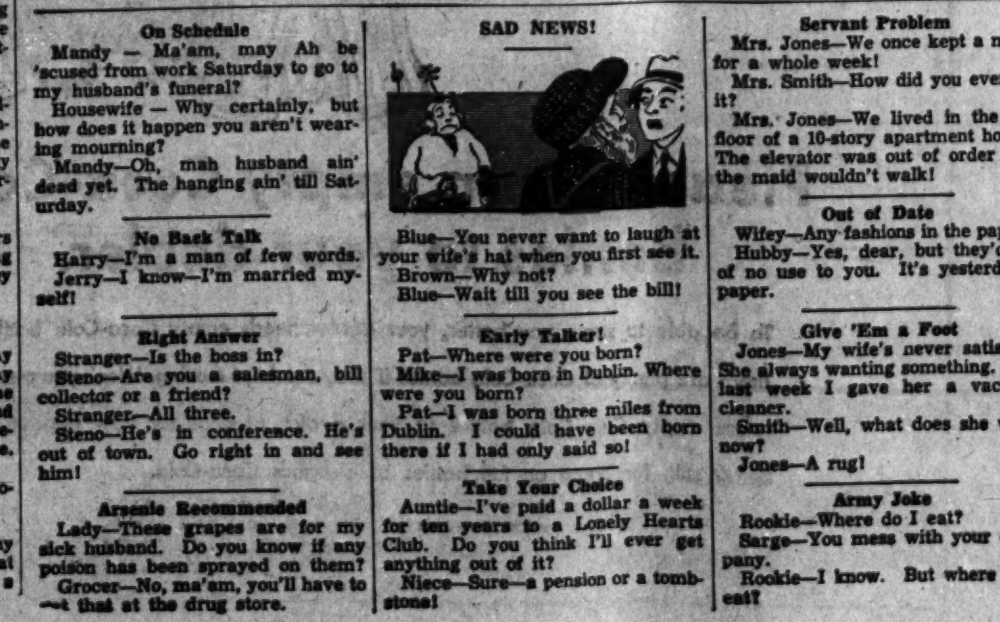

**Wanna Bet?**

"However much the storm may  
 rage around our fortress, the day  
 will come when from behind the  
 dark clouds the sun will shine and  
 smile on us."—Adolf Hitler, in a re-  
 cent address to the German people.

As a weather prophet Hitler is go-  
 ing to prove a terrible bust, too.

Ima Dodo says she can't see why  
 the gum makers don't adopt that  
 new song "Chew, Chew, Baby" as a  
 radio theme song.

## HOUSEHOLD MEMOS... by Lynn Chambers

### Daily Menus Need Changes to Fit Family's Wants

You'll be surprised at how little chicken is needed for Chicken Noodle Paprika, but how good the casserole can taste. It meets all the requirements for a good, wartime dish.

Do you plan your meals to suit the family's mood?

In spring, for instance, do you satisfy their hunger for foods crisp, crunchy and light? Do you get away from the too hearty and heavy foods of winter and heed the change in weather and appetite? If you don't, then you should! Every family requires a change in food as well as in dress.

Food is more fun for both you and the family if you vary menus from time to time, weed out much-repeated recipes and add new ones to the family's collections. Do keep in mind the changes of season and their wealth of new foods and color schemes to add interest to the diet.

#### Save Used Fats!

Vegetables herald the important coming of spring—and their use in meals should be more generous, even in the meat course itself where they will act as a meat extender:

#### Meat Balls in Vegetable Sauce. (Serves 6 to 8)

- 1/2 pound veal
- 1/2 pound pork
- 1 pound beef
- 1 small onion
- 1 green pepper
- 1 carrot
- 1 stalk celery
- 2 tablespoons fat
- 1/2 cup applesauce
- 1/2 cup moist bread crumbs
- 2 teaspoons salt
- 1 pint tomatoes
- 1 tablespoon flour
- 2 eggs
- 3 potatoes, diced
- 1/2 teaspoon pepper

Chop parboiled or leftover vegetables. Grind meat and mix with applesauce, bread crumbs, salt, pepper and beaten eggs. Form into egg-sized balls. Melt fat, brown meat balls, add chopped vegetables and tomatoes. Bake uncovered 25 minutes in a moderate oven.

#### Save Used Fats!

#### Asparagus and Spaghetti. (Serves 6)

- 1 1/2 cups spaghetti, broken in pieces
- 1 pint canned or cooked asparagus and liquid
- 2 tablespoons flour
- 2 tablespoons fat
- 1 cup rich milk
- 3 to 4 drops tabasco sauce
- 1/2 teaspoon salt
- 1 cup buttered bread crumbs
- Cheese, if desired

Cook spaghetti in boiling salted water until tender. Drain. Drain the liquid from the asparagus, cut

#### Lynn Says

Mottoes: Produce and preserve, share and play fair are mottoes which should be in every household notebook.

This is what I mean, so check yourself on the following points so that you can tell if you're doing the job on the home front:

Save cans—to meet the quota of 400,000,000 used cans every month.

Save waste paper and collect scrap. Containers are made from these to ship supplies to forces overseas.

Start the Victory Garden early—to produce more food than we did last year.

Store leftover food correctly, prevent waste.

Shop early in the day, early in the week. Accept no goods without stamps.

Substitute for scarce foods, serve simpler meals to save time and leave you more time for vital war work.

#### Lynn Chambers' Point-Saving Menu

- \*Chicken Noodle Paprika
- Broccoli
- Sliced Tomatoes
- Rye Bread Sandwiches
- Lemon Snow Pudding
- Custard Sauce
- Brownies
- \*Recipe Given

stocks in short pieces and prepare a sauce from the flour, fat, milk and asparagus water, then add the tabasco sauce and salt. In a greased baking dish, place a layer of the cooked spaghetti, then one of asparagus. Cover with sauce and continue until all ingredients are used. Cover top with buttered crumbs. Top with grated cheese, if desired. Bake in a moderate (350-degree) oven until heated, about 20 minutes.

#### Save Used Fats!

You'll be getting the most out of your money if you serve this low-oil chicken casserole. It's thrifty but full of nutrition:

#### \*Chicken Noodle Paprika. (Serves 6 to 8)

- 1/2 pound medium-cut egg noodles
- 4 cups boiling water
- 1 teaspoon salt
- 1/2 cup diced carrots
- 1/2 cup diced celery
- Salt and pepper to taste
- 1/2 cup onion, cut fine
- 2 tablespoons shortening
- 1 1/2 cups chicken stock or gravy
- 1 teaspoon paprika
- 1/2 cup minced, cooked chicken

To the boiling water add salt and egg noodles. Cook until all water is absorbed and noodles are tender. This requires about 10 minutes. Stir frequently during cooking period. Combine carrots, celery, onion and shortening and cook for a few minutes. Add chicken stock, paprika, seasonings and chicken. Cook slowly until vegetables are tender. Pour this mixture over the cooked egg noodles, place in buttered casserole and bake 1/2 hour at 350 degrees. Whole pieces of chicken may be used in place of the minced chicken.

An inexpensive food is the salad, but it provides the mineral and vitamin riches necessary to good health and living, and satisfies the need for change of texture and contrast in menus.

#### Ham Loaf. (Serves 6)

- 1 1/2 cups ham, diced
- 1 package lemon-flavored gelatin
- 1 cup boiling water
- 1/4 cup vinegar
- 1/4 teaspoon paprika
- 1 teaspoon salt
- 1/2 cup water
- 1/2 cup mayonnaise
- 2 tablespoons minced green pepper
- 2 tablespoons minced chili pickle
- 1 1/2 teaspoons dry mustard

Pour boiling water over gelatin and stir until dissolved. Add vinegar and water and allow to cool slightly. Add the other ingredients and turn out into loaf pan. Chill until firm. Turn out on platter and garnish with lettuce, endive, sliced eggs and tomatoes.

#### Save Used Fats!

Vegetables should be cooked until they are just barely tender—then no more. Then most of their vitamins are intact, and the color is glorious. Here's a casserole with a riot of new spring color:

#### Garden Casserole. (Serves 6)

- 2 cups white sauce
- 1 cup cooked new potatoes
- 1 cup cooked asparagus, cauliflower or broccoli
- 1/2 cup cooked carrots
- 1 cup cooked peas
- 1/2 cup yellow cheese

Make white sauce. Place vegetables in layers in buttered casserole and pour white sauce over them. Cover with finely cut cheese and bake in a moderate (350-degree) oven 20 minutes.

Get the most from your meat! Get your meat roasting chart from Miss Lynn Chambers by writing to her in care of Western Newspaper Union, 210 South Dearborn Street, Chicago 6, Ill. Please send a stamped self-addressed envelope for your reply. Released by Western Newspaper Union.

## Washington Digest

### 'Price Premium' Battle Grows in Importance

War Food Administration Faces Increasingly Difficult Problem of Getting 'Bashful' Beef Cattle to Market.

By BAUKHAGE  
News Analyst and Commentator.

WNU Service, Union Trust Building, Washington, D. C.

The fight over subsidies—pardon me, I shouldn't use that word—subsidies, the New Deal doesn't like it—the fight over "price premiums" on farm products is once more the chief concern of the administration and the members of congress who do not see eye to eye on this painful question.

The smoke of the battle over the veto of the subsidy ban included in the Commodity Credit Corporation bill has settled, and since then there was another veto (the tax bill) that didn't fare so well. But the Farm Bloc members are not so overoptimistic as to believe that the President and congress are still far enough apart on the subsidy question that another veto could not be sustained. In the senate, the cooler heads of the opposition know this and are not willing to go through the same futile process again.

In the house, it is a different matter although this is not likely to change the final picture. House Leader Joe Martin, while conceding no jot or tittle to the administration that he can withhold, has made it plain that price control is necessary, and he isn't going to allow too much delay on the part of those who want an anti-subsidy rider attached to the OPA bill. He has other plans of his own.

War Food administration officials are quoted as admitting that the case of the bashful beef is one of their greatest problems. Concretely, they have the job of enticing two or three million head of beef cattle off the ranges and into the butcher shops during early spring and summer. And the only thing that they know of to make the cattle move is the good "old reliable" that makes the mare go—cash money. Since the administration is sitting on the sidelines and refusing to allow prices to the consumer to go up, Uncle Sam will probably have to make up the difference again, if congress will let him, in the form of a "price premium" to the stockmen.

#### The Banker's Stake

And the government is wondering about something else besides a few needless Mondays or Tuesdays or Wednesdays. It is worried about the banker who has a stake in steaks, as well as the cattleman and beef-eater.

Cattle on the ranges have increased beyond the feed on the ranges.

The average livestock population of America in the years 1922 to 1942 was 69 million head. Roughly let's say half of this was dairy cattle. Now the estimate is 82 million head and the ratio of eating cows to milking cows has increased alarmingly in the last few years.

And the beefers are now home on the range because there isn't a price incentive to lure them to slaughter. The government feared this; feared first the famine and then the flood. It now looks as if the famine was coming and the flood is not far behind. And this is where the banker comes knocking at the door. He remembers other gluts when the drought, for instance, sent all the cattle to market at once, ruining the industry, making the banker's notes just so much wallpaper.

But how, the simple citizen asks, can there be a price drop when the government has placed a floor under prices as well as a ceiling over them? Well, see what happened to our friend, the hog. The farmer brought his pigs to market. The government fixed the price which the packers were bound to pay. But so many pigs arrived that the packer couldn't pack them and the law didn't say he had to buy what he couldn't use. So the farmer, rather than pick up his pigs and carry them home again, sold them off at disgracefully low prices to the smart boys. Finally the smart boys got the floor price, the butcher got his ceiling price which the consumers with full pocketbooks and empty stomachs were glad to pay. All the farmer got was mad.

This happened why? The government says simply because some farmers, seeing as how there was going to be such a good market for hogs, exceeded their quotas—got too hoggy (one district in Iowa, I was told, increased its pig crop by 53 per

cent, when the figure the government had set was 13 per cent). More about that later.

And so the War Food administration is afraid the same thing might happen to the cattle market. And the banker is afraid. It would be bad enough if we ran into a glut like the hog-jam but, as one WFA livestock expert put it, "we shudder to think what might happen if an early drought developed. There would be a great stampede to move cattle to market. Transportation and processing facilities might not be able to handle the movement. The result might be the loss of thousands and thousands of head of cattle."

R. M. Evans, member of the Federal Reserve board for agriculture, who is a former agricultural adjustment administrator, is urging the bankers in the cattle industry to do their share in coaxing Ferdinand off the range.

#### About 'Elastic' Prices

Of course, the cattlemen have been among the most violent critics of the price control administration and their representatives have maintained a steady battle here in Washington in an effort to remove the ceiling prices from beef (or, as they say, make the prices elastic) so that prices would rise and fall in accordance with the seasonal demand.

The cattlemen's viewpoint as presented by Joe G. Montague of the Texas and Southwestern Cattle Raisers association, boils down his plaint to a simple statement.

"Cattle just provide the frames to hang beef on. The Lord knows we've produced the frames but somebody fell down on the job of hanging the beef on 'em."

Mr. Montague told me the other day that the weights have gone down faster than even he expected although he predicted the glut and the promised famine ever since the fixed price was made last October. They have gone off 27 to 28 pounds a head and he expects this will continue until July when grass feeding begins again.

"I'm trying to get the cattle off the ranches but I can't do it. The feed lots are not taking them because there isn't any feed. I could sell thousands of pounds of feed today if I could get my hands on it. The government reports show that there's a lot of feed somewhere but we can't find it."

**Hoarded Corn**  
There is plenty of feed in the shape of corn in the country but the farmers with their government-assured prices on hogs are hoarding it—they are transforming it into pork. The government "asked for this" when it put a premium on hog-raising, as we have explained. But many farmers, poultry and dairy farmers and others outside the corn belt need feed.

Not only farmers but industrialists who need corn for their chemicals, are complaining. The army and navy who need their products have echoed their pleas.

So the government is smack up against the problem of prying this feed (corn) loose from the farmers who are keeping it to feed to their hogs. The only way they can shake the kernels loose is to increase the price of corn. The only way they can do that without breaking through price ceilings is to subsidize corn—in other words, buy it at a price which will make it more profitable to the farmer to sell it than to feed it to his hogs.

Montague's argument is that because the cattle business is seasonal you have to have flexibility in price. If the price is nailed down, the cattleman will sell his grass-fed cattle in September, instead of holding out for higher prices in the spring, and save going through the anguish of zero weather. Of course, under price control, the theory is that the flexibility is provided by the subsidy—excuse me again—by the government offering a price premium which gives the cattleman enough for a fair profit but doesn't increase the price to the consumer and start inflation. But the cattlemen don't want sub-price premiums. They want prices to rise and fall in the good old-fashioned way.

And that is where the issues in the fight over the proposed amendment to the OPA bill are neatly joined.

## BRIEFS... by Baukhage

Six hundred former seamen and officers of the American merchant marine who had been inducted into the U. S. army from shore employment in the last eight months have been released to return to sea.

The American Red Cross purchased more than 2,700,000 pocket-sized books last year for free distribution to servicemen.

United States mints last year turned out nearly one-tenth as many coins as have been produced in the past 152 years.

Nazi Minister of the Interior Hermann Himmler, in ordering the registration of a new class of 17-year-old German girls for labor service ruled that all applications for deferment will be useless.

## SNAPPY FACTS ABOUT RUBBER

Seriousness of the truck tire shortage will be appreciated when it is known that 34 of the country's largest cities receive all their milk by motor trucks.

Underinflation is a voracious waster of tire rubber. A check on Michigan war workers' cars recently showed that more than 15 per cent were underinflated.

Rubber and processing represent about 40 per cent of the cost of manufacturing a popular size automobile tire.

The first rubber-tired motor bus was operated in Brooklyn, N. Y., in 1900. It was used for sightseeing purposes.

CURTIS COLLINS ADDRESSES  
OPEN LETTER TO DRAFT BOARD

Grenada, Miss., April 19, 1944  
Members of Local Draft Board,  
Grenada, Mississippi  
Dear Sirs:

More than two months ago you ordered a certain registrant of this County, to-wit: Willie Lee Martin, to report for his physical examination. This registrant passed his physical and was accepted by the Army for limited service. I am advised. His order number is 205. I am advised. More than two months have passed since he took his examination, two Army calls have been filled from this County, and you are about to fill a third call. In filling each of these calls you have passed over the above party and have called into the Army in his stead men who were pre-Pearl Harbor fathers and who had higher order numbers and who were examined since he was examined.

Less than one month ago I stood my physical examination and was accepted for limited service in the Army. I have been ordered to report for induction on April 25th. I am in the same age bracket as the above party. We are both pre-Pearl Harbor fathers. My order

number is 277, which is higher than the above party's number. He was examined approximately two months before I was. We were both accepted for Limited Service. His wife has been employed for much of the time during the past few years. My wife has never been employed since our marriage. The above party and I are both barbers in the City of Grenada. He has had more than two months in which to get his affairs in order and no other barber has been called from his shop. I have had only a few days, and two barbers are being taken from my shop at the same time.

Gentlemen of the Draft Board, do you believe in honesty and fair dealing? Did it ever occur to you that we Americans have been taught that one person is as good as another, and that all are entitled to the same fair and impartial treatment? Why does the above situation exist? I think we who are about to be inducted into the Armed Forces and those already in the Service deserve an answer to these questions.

Respectfully,  
Curtis Collins.

## HERE'S ONE BIG REASON WHY TELEPHONES ARE SCARCE

It's THE NEW 45,000-ton U. S. S. Missouri, most powerful fighting ship afloat. It will carry about 1200 telephones, 350 miles of telephone wire, and a ship-wide battle announcing system.

Remember that Uncle Sam launched 568 warships last year and as new war fronts are opened and present ones extended, the Army and Navy's telephone equipment needs grow in volume and urgency.

Normally, we have reserve telephone facilities. But since the National Defense program started in 1940, the number of Southern Bell telephones in service has increased by more than half a million. The reserves are about used up.

There's a waiting list now—and we're doing everything possible to keep that list from getting longer.

For example, telephone instruments and other equipment that can be reused are being repaired and renovated and put back into service.

If you haven't been able to get a telephone, we're sorry. And you can be sure that we are eager to fill your order as soon as we can.
